Re: *Michael Giles v. City of Mount Vernon, et al.*, 20 CV 5119 (PMH)

Dear Judge Halpern:

I represent the plaintiff in the above referenced civil rights action. I write on consent to request that the Court enlarge the deadline to restore the action as set forth in the Court's Order of May 7, 2024 (ECF Doc. 131), from July 8, 2024 to September 9, 2024.

As the Court may recall, the parties recently reached an agreement in principle to resolve all claims. The reason for this request is that we require additional time to obtain the signed settlement documents from our client, who is currently in BOP custody out of state, and for defendants to make payment once the settlement documents have been fully executed. We therefore request that the deadlines in the Court's May 7, 2024 Order be enlarged pending the parties' consummation of the settlement.

Thank you for your consideration.

Respectfully,
